SAFETY EXPO 2024

CLASSROOM ACTIVITY BOOK

Welcome all to the 2024 Safety Expo! We are so excited to have you all here learning about safety and how that helps us to foster belonging for our communities and loved ones.

For the next 3 days, we are going to have our local and provincial Safety agencies present to us about all the tools, resources, and skills that they use every day, and supply to our community members as well to help everyone stay safe in Calgary. We've included some skill testing questions from our safety leaders and experts. While you are attending the Safety Expo, work together with your classroom to try to gather as many answers as possible, so your classroom can kick butt and submit the coolest locker design (keep reading the challenge below to get started!)

THE NEWS: A NEW STUDENT IS JOINING YOUR CLASS!

UH-OH: THE TEACHER SHARED THAT THE NEW STUDENT MAY FEEL REALLY NERVOUS!

CHALLENGE: TO DECORATE A LOCKER FOR THEM TO FEEL SAFE AND WELCOMED BY YOUR CLASSROOM AS A SURPRISE.

Using the lessons, you learned from our safety experts to not only support your new classmate feeling safe, but like they are able to find belonging as their awesome, authentic selves in their new classroom.

Submit your completed locker as a classroom, or as an individual if you have lots of great ideas that you want to share!

HOW TO SUBMIT:

- 1) Complete workbook!
- 2) SUBMIT YOUR WORKBOOK TO ccs-ss@calgary.ca FOR AN ENTRY FOR YOUR CLASSROOM INTO A PRIZE DRAW!

LET THE SAFETY EXPO WORKBOOK CHALLENGE BEGIN!

Directions:

- 1) Collect tokens from the following pages' that tell a little about you. You can fit them inside your locker or place them outside of it. **COLLECT A TOKEN FOR EACH OF THE PRESENTATIONS THAT YOU ATTEND!**

**** ONLY TOKENS FROM PRESENTATIONS & EXHIBITS YOU ATTENDED CAN BE USED! ****

- 2)  Add a decoration to your locker by:
 - a. USING THE TOKENS YOUR CLASSROOM AND/OR YOU HAVE COLLECTED AT EACH STOP YOU ATTEND AT THE EXPO.
 - b. Unlock bonus tokens and items to decorate your locker by answer skill testing questions. The more you learn, the more tokens you unlock!
 - c. Be creative and have fun!

 **Hint:** You can also add notes inside your locker. Notes to yourself or from someone else that spread lessons and happy notes about safety and belonging.

 **Tip:** When creating a design from multiple objects you can select them all while holding down the shift key. Then go to “Arrange” > “Group” and group all your selected objects together. Now when you resize, cut, or paste it will treat them all as one object.

Answer the skill testing questions from the safety exhibitors' and live webinar presentations and gather different items to use to decorate the locker with. For every question you answer correctly, you get an item! The more exhibitors and presenters that you can visit and learn from, the more items you have for decorating the locker for your new classmate to be as cool as possible!

SAFETY EXPO 2024

CLASSROOM ACTIVITY BOOK

COMPLETE THE EXHIBIT & PRESENTATION ATTENDED & SKILL TESTING QUESTIONS BELOW TO COLLECT YOUR TOKENS TO DECORATE!
